

REMARKS/ARGUMENTS

This case has been carefully reviewed and analyzed, and reconsideration and favorable action is respectfully requested.

CLAIM REJECTION UNDER 35 U.S.C. 102(b)

Claims 1, 2, 6, 7, 11 and 16 were originally rejected under 35 U.S.C. 102(b) as being anticipated by Hughes.

In addition, claims 1, 2, 6, 7, 9-11, 13, 14 and 16 were originally rejected under 35 U.S.C. 102(b) as being anticipated by Pownall.

In addition, claims 1-3, 6, 7, 10, 11 and 16 were originally rejected under 35 U.S.C. 102(b) as being anticipated by Bellas.

CLAIM REJECTION UNDER 35 U.S.C. 102(e)

Claims 1, 2, 7, 11 and 14-16 were originally rejected under 35 U.S.C. 102(e) as being anticipated by Chang.

However, the Examiner has pointed out that claims 4, 5, 8 and 12 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Responsive to this, claims 2-4 are deleted, and claim 1 is amended which is substantially the combination of original claims 1-4 so as to make the claimed invention more distinguishably patentable over the prior art references cited by the Examiner.

Accordingly, by the amendments, it is believed that the rejections under 35 U.S.C. 102(b) and 102(e) should be withdrawn, and the claim 1 should be allowable.

It is further submitted that the amended claims 5-16 should be allowable as they are dependent upon the amended claim 1 which is believed to be allowable.

In view of the foregoing amendments and remarks, Applicant submits that the application is now in a condition for allowance and such action is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Chih-Ching Hsien", written over a horizontal line.

Applicant
